Welcome

The Vine is thrilled to celebrate each of life's special moments with you.

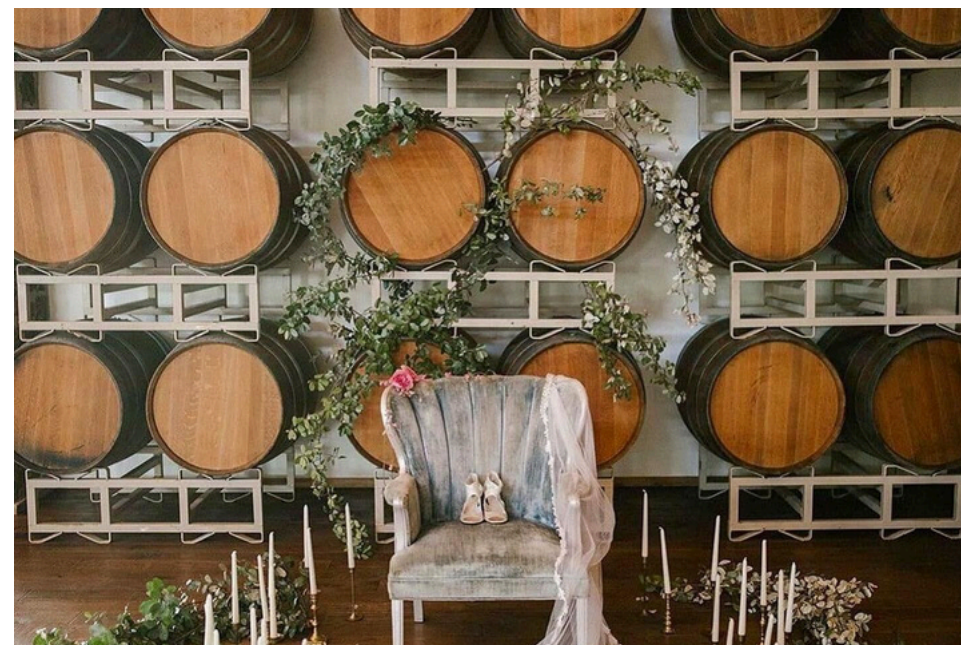

As a premier wedding and event venue in Texas, conveniently tucked between Austin and Houston, we embody the natural beauty of Texas and all the luxurious elegance you want for your special events.

The beautiful property boasts a 7-acre vineyard with an adjacent Tasting Room, beautiful, expansive barn event hall, chic wedding chapel, several outdoor event spaces, two intimate bride and groom cottages, and a barndominium apartment.

We can't wait to share this incredible property with you and your loved ones!

Our Spaces: Barrel Barn

Outfitted in stunning reclaimed barn wood with intricate stone detailing, the massive 10,000+ square foot Barrel Barn with 40ft+ ceilings will set the perfect scene for your celebration. Wooden wine-aging barrels provide built-in country vineyard chic for your event, but we encourage adorning the entire space with floral arrangements, signs, café lighting or any decor that will make your vision come alive. Toast to your love with friends and family at one of the premier wedding barns in Texas

Our Spaces: Vineyard Vista

Look out onto our beautiful vineyard and towering pine trees during your ceremony with up to 500 of your friends and family. With plenty of space surrounding this ceremony site, you can utilize our outdoor games, patio furniture or even a set up a fireworks show to put an exclamation point on your first kiss as a married couple.

Our Spaces: Union Bell Chapel

Watch the towering doors swing open to reveal the vaulted ceilings and light-flooded aisle of our on-site wedding chapel. Imagine saying your vows on property in a bright, welcoming space, large enough to accommodate all your loved ones. Our beautiful Union Bell Chapel is large enough for nearly 300 friends and family to watch you say “I do.”

Don't miss ringing in happily ever after with our Union Bell!

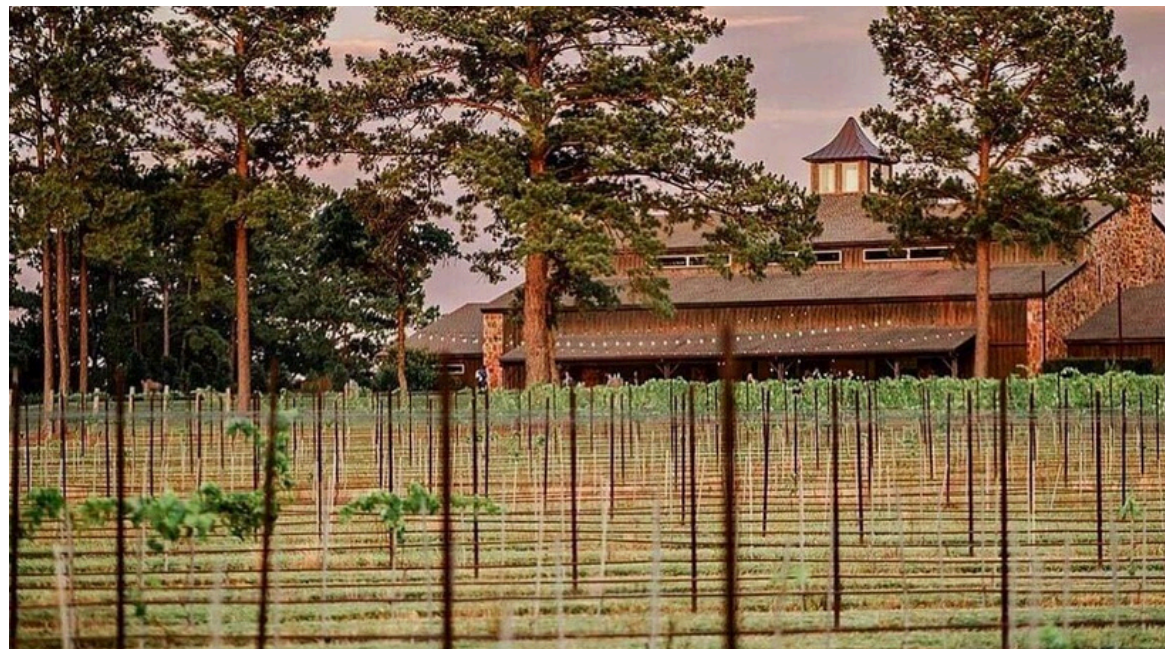

Additional Beautiful Outdoor Spaces

Nestled amidst rolling hills, The Vine offers a picturesque escape, with rows of grapevines stretching out under the warm sun. Surrounded by blooming gardens, the serene pond reflects the beauty of the landscape, inviting leisurely strolls and moments of tranquility by the water's edge.
